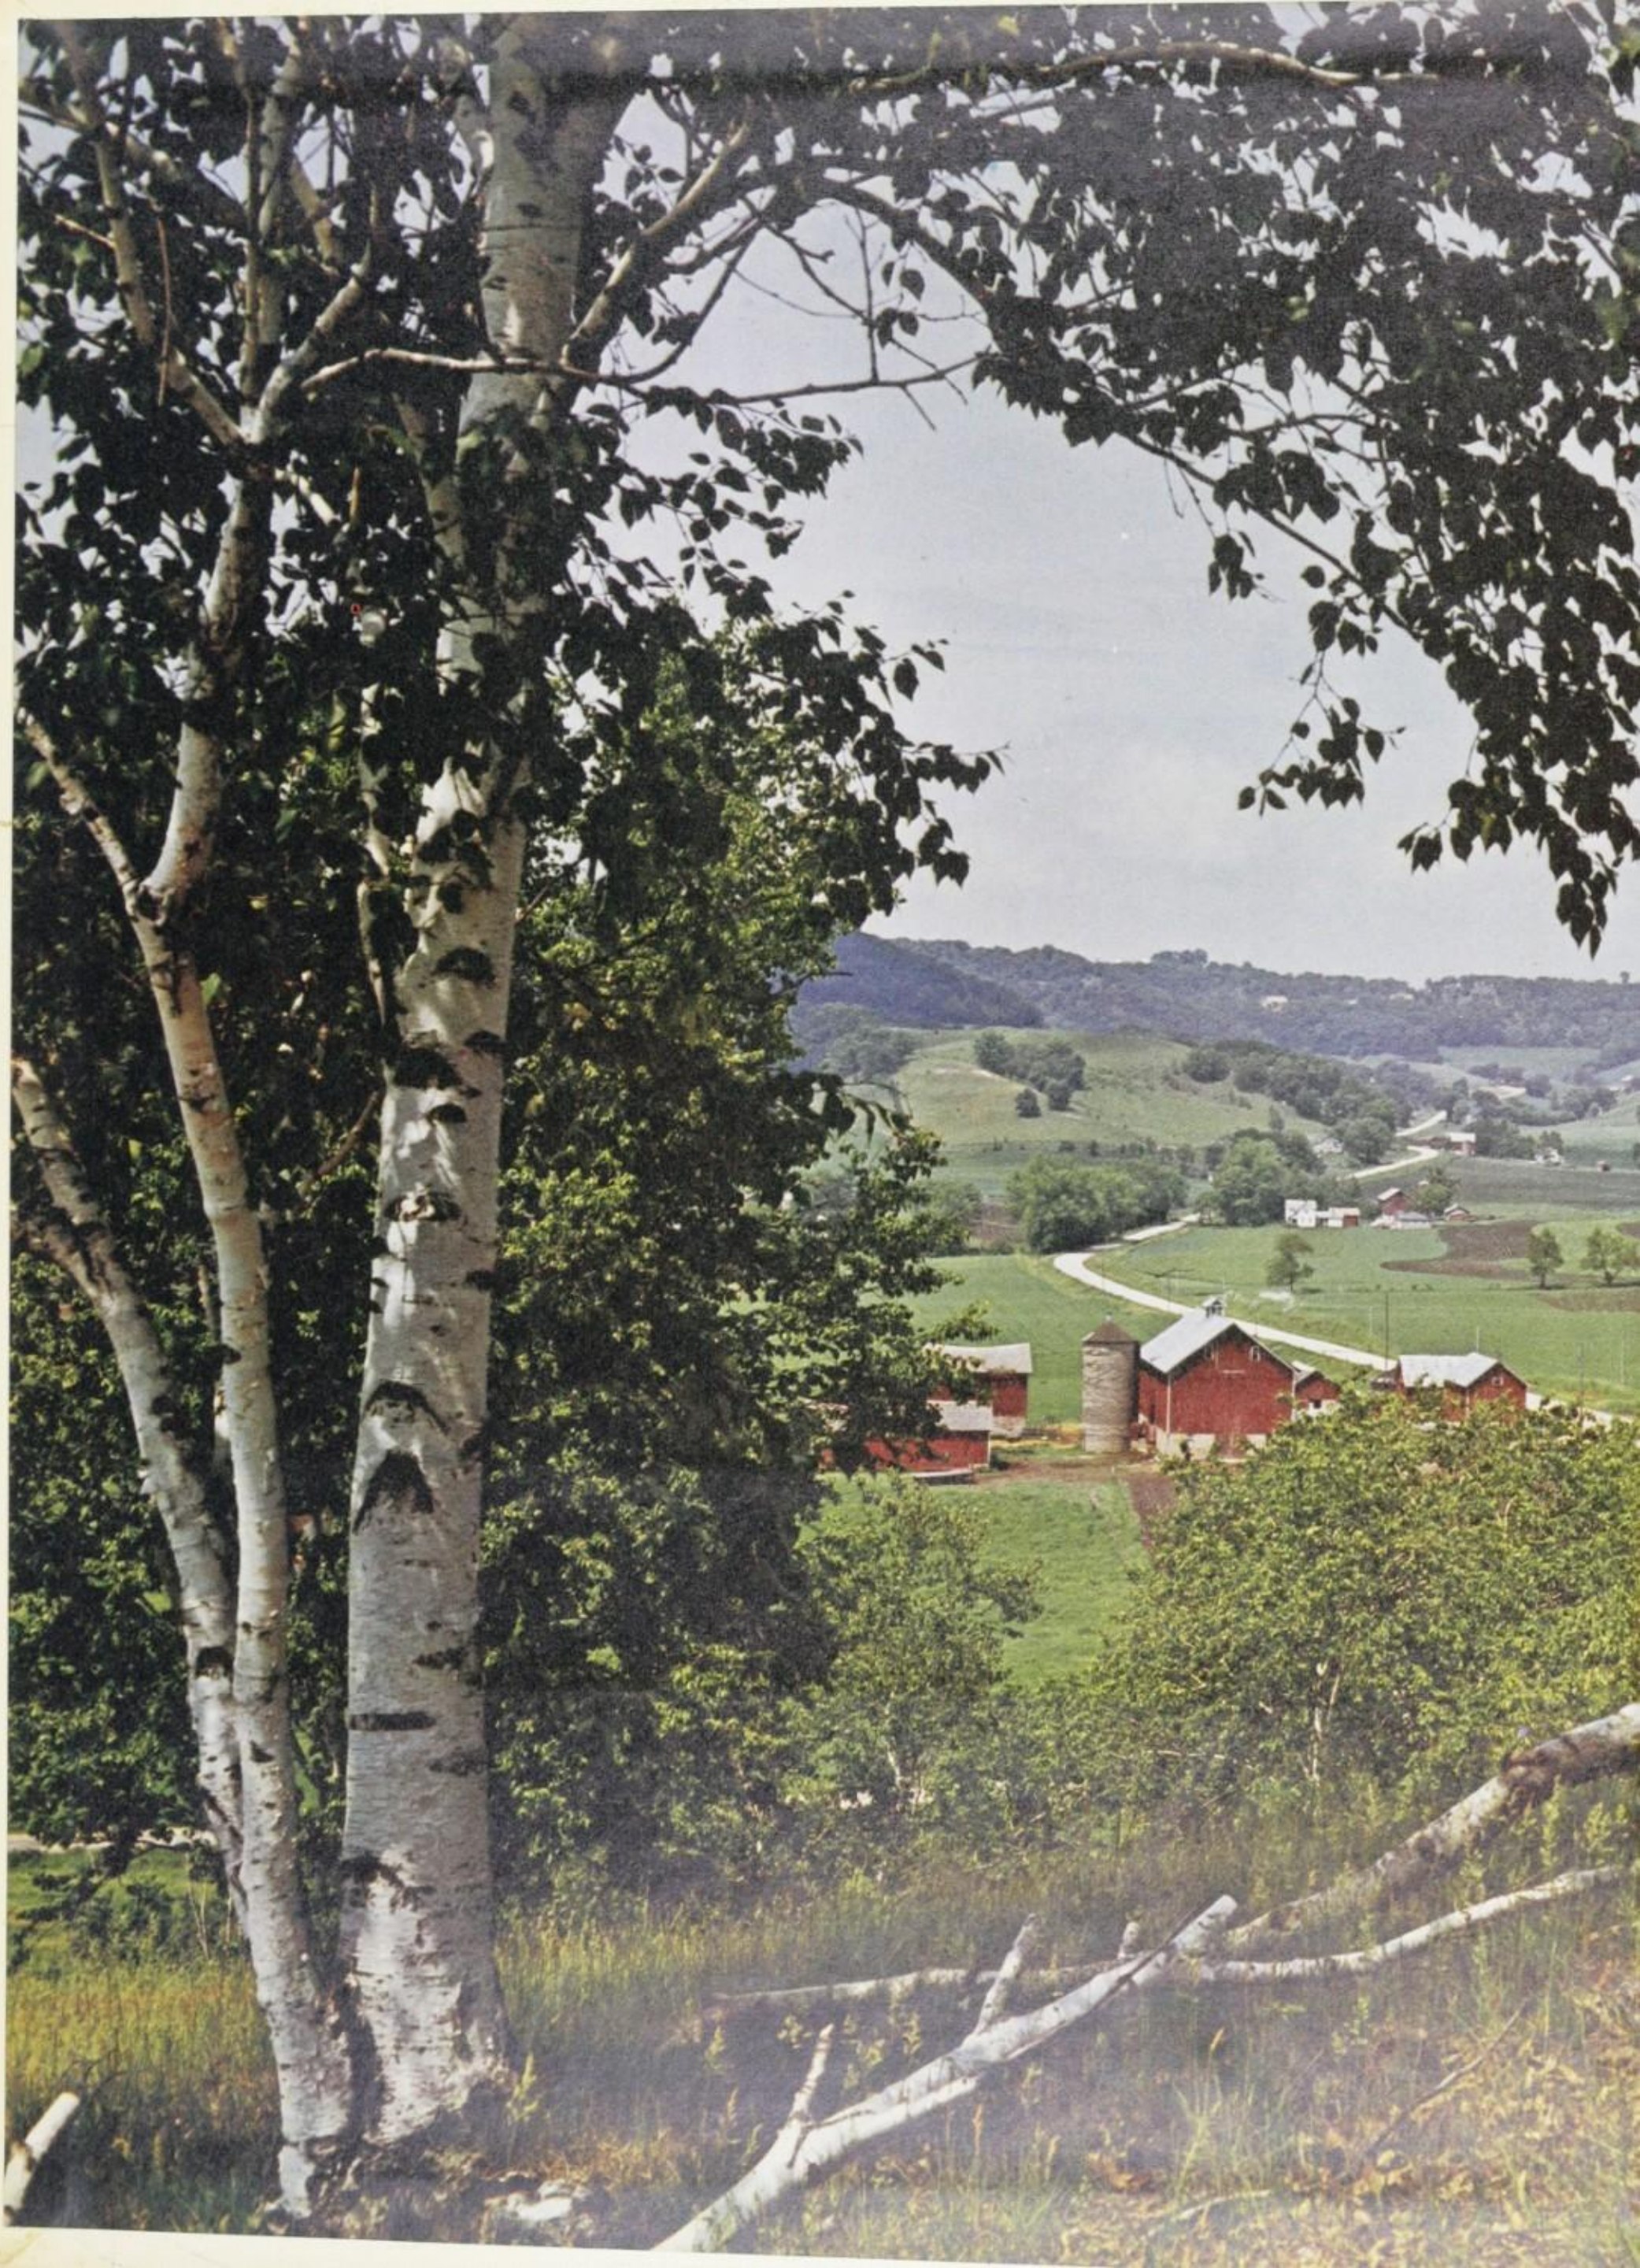
Viking 1963



The Viking

1963

ORFORDVILLE, WISCONSIN

DEDICATION

We, the CLASS of 1963, dedicate the Viking to Mr. Peter Randall for his ability in presenting the science courses of Orfordville High School in an interesting and informative manner.

STUDENT COUNCIL

Miss Paynter, E. Kane

VOICE OF THE STUDENTS

The Student Council is the governing body of our School. Each class is allowed to send a designated number of representatives, with the president of each class being automatically members of the Council. Miss Paynter is the faculty advisor.

Tasks and responsibilities of the Council are numerous. The welfare of the school is its first consideration, and in that category fall various duties. General behavior problems of students are discussed as well as regulations for governing them. Recreational facilities such as dances, class parties and noon entertainment receive consideration of the Council. The sports intramural program is planned by this group.

C. Hesgard
Co-captain

We, the senior players of the Orfordville Football team, would like to pay tribute to football as one of the most popular and colorful American sports. Many spectators fill our bleachers each week, no matter what the weather, to watch the split-second work of our team. They cheer wildly as one of the players try to advance for long runs through or around the opposing team's line. This year, through a series of games, the team members elected Ed Kane as the most valuable player.

Marching bands and cheering sections make the football games a marvelous spectacle of color and sound. The bands in their precision marching execute difficult march maneuvers. Lively cheerleaders lead the crowd in support of their team.

Yes, we believe that Football is truly the sport that displays color, team work, good sportsmanship, a healthy competitive attitude, and a complete audience participation. We take our hats off to this fine American sport.

BASKETBALL

Orfordville finished with a 10-8 record in the Conference and this was good for a fourth place tie with Albany as Brodhead, Argyle, and New Glarus tied for the Championship. The record could have been better with a little luck as the team lost quite a few close ones. Charles Hesgard started as a guard and Charles Wells was a top reserve. These two boys were the only seniors on the squad and it is sincerely hoped that maybe next year they can win the Championship.

Paul Johnson received an outstanding honor as he was selected first team all conference which is quite an accomplishment for a freshman. Paul also led the State Line Conference in scoring which to our knowledge is the first time a freshman has accomplished this feat.

One thing that showed the team was made up of some fine young men was the way they kept fighting and trying when they were behind. These players didn't know the words quit or give up as they came from 17 points behind in the Planchardville game to tie them, and then lose. This is disappointing, but this is the type of effort that will carry over to later years and make these young men outstanding citizens.

Folks never
had it so good

Just set a timer, flip a switch
or turn a dial. Electricity not
only does the work but
provides the recreation too.
No doubt about it, folks today
live better . . . electrically.
